Longview, Texas

About Longview: Just two hours east of Dallas, Texas • About an hour west of Shreveport, La.

- Serves as a central city for smaller, nearby towns
- Has a Metropolitan Statistical Area (MSA) of 150,000 in population
- Entertainment: movie theaters · great restaurants · mall · several shopping centers
- Culture: symphony · public library · museums · community theater · opera
- Major annual events, including the Great Texas Balloon Race and AlleyFest
- Over 100 places of worship
- Several area state parks for camping, hiking and picnicking
- Over 25 lakes within 75 miles
- Mild winters, with colorful springs and autumns
- Nice mix of rain and sunshine all year

Map from
LeTourneau University
Campus to LETU's
Abbott Aviation Center

Exiting from the main entrance into campus, make a left-hand turn (South) onto Moberly Ave.

Merge left onto Estes Pkwy (322) and continue south across I-20.

Take a right turn (Southwest) onto Gardiner Mitchell Pkwy (322).

Take a left onto 349 at the stop light.

Take a right into LeTourneau's facility through the chain-link fenced gate.
