Licensing Agreement for Reproduction and Distribution of Water Recycles Poster

Please circle option requested

OPTION 1.

- At no charge, WEAT will provide an art file of the requested Water Recycles poster for use. Only the white strip at the bottom of the poster shall be edited. You, the water steward, must agree to all the terms below.
- The water steward may personalize the poster by adding their logo in the designated “Distributed by” position of the poster only. The logo height shall not be taller than the WEAT and EPA logos. The WEAT and EPA logos, QR code, and copyright tagline must remain on the poster; they cannot be removed or altered.
- WEAT encourages posters to be printed on environmentally-friendly paper. If used, the water steward may add a “printed on” statement to the bottom of the poster such as “Printed on 100% recycled paper” or “Printed on soy paper”, for example. No additional statements are allowed to be included on the poster.
- By signing and submitting this form, the water steward agrees to a one-time only usage.
- Please send a copy of the printed product to WEAT at the address below.

OPTION 2.

- If you wish to have WEAT produce a poster with your logo in the “Distributed by:” box, we will do so for quantities equal to or in excess of 1,000. The water steward will email the required logo to include on the poster. WEAT will send the printed copies along with an invoice to cover printing fees, postage, and a 4% of total printing fee handling charge.
- By signing and submitting this form, the water steward agrees to a one-time only usage.
