WEF Member Association

Leadership Summit
For past, current, and future leaders
Wednesday, July 18
City of Garland Fire Administration Building
1500 Hwy 66, Garland, TX 75040

The purpose of the annual WEAT Leadership Summit is to provide those interested in future WEAT leadership with an opportunity to engage with current WEAT leadership, in exchanging ideas and concepts to improve the value of WEAT to its membership.

Looking to the future, we encourage each invitee to extend an invitation for this event to one potential future WEAT leader and ask them to join us. Invitations will be sent via email in May. Please contact the WEAT office if you would like to be included.

(STC)
