

# Welcome to the WEAT YP Committee

## Young Professionals Committee

WEAT and WEF Young Professionals seek to host and promote professional development events, to unlock opportunities for those new or newer to the industry to participate in WEAT events and become part of the WEAT team. There is emphasis on professional growth and community service through networking events, technical events, and community service events.

### Our Mission Our Vision

To enhance the WEAT Young Professional community's professional growth.

### Finding Your Place in the YP Committee

The YP Committee is currently made up of 6 regional subcommittees as well as the Student Section Chair, and Student Design Competition Chair. Each of our regional subcommittees plan events and activities geared toward our mission and vision. Your passions and talents have a place on the YP Committee.
